

## FOUNDATION GRANTS

The Indian Nations Presbytery Foundation invites grant applications from congregations in the presbytery. The Foundation supports the religious, charitable, educational, and missionary undertakings of the presbytery and provides grants to meet unusual needs of member congregations. Funding requests may support:

*“Charitable, educational, missional, and ministry initiatives; Capital improvements, plant repairs, modifications, and building code compliance; Technology and communication infrastructure that supports worship and ministry; Congregational vitality, innovative worship, and sustainable ministry efforts; Mission initiatives and community outreach; Other emerging needs of the Presbytery and its congregations as they carry out the mission of the Presbyterian Church (U.S.A.)”*

### Application Process

Applications will be considered in November. Submit the completed application and supporting documents by October 30, 2026. Email submissions: [info@okinp.org](mailto:info@okinp.org). Applications may also be mailed to the Presbytery office at:

1001 N.W. 25<sup>th</sup>, Suite 206  
Oklahoma City, Oklahoma 73106-5622

The application should include:

1. Name of the church or ministry project.
2. A brief description of the purpose for which the funds are requested.
3. The amount of funds requested.
4. Confirmation that the Session, Board or Commission of the submitting organization approves of the request and the purposes for which it is intended.

All grant applications should be typewritten and should not exceed two pages. Complete every field; **applications with blank fields will be returned.**

Grants are preferably made on a matching basis, and preference is given to churches that have contributed to the Presbytery budget in recent years. The matching contribution need not equal the grant request and may come from an outside source. Indicate the amount your congregation will contribute and identify any outside matching source. For community projects or requests exceeding \$3,000, see Mission Grants at [www.okinp.org/grants](http://www.okinp.org/grants).

Recipients of Foundation grants will be asked to submit follow-up reports to the Foundation prior to each presbytery meeting and after completion of the project for which the grant was intended. This report should outline the current status, the results of the project and the ways in which money was used to accomplish those results.
