SUBJECT: Minimum Salary Requirements 2024-2025
DATE: July 11, 2024

In October 2009, presbytery adopted the following policy regarding minimum effective salaries for ministers serving in churches within Indian Nations Presbytery: **Minimum effective salary will be 80% of the churchwide median salary for all ministers (as determined by the Board of Pensions) from the previous calendar year.** Effective salary will be prorated for part-time positions.

Presbytery set the following additional requirements for calls (see notes below for exceptions):

Full coverage under the Board of Pensions*

Professional Reimbursable Expenses \$4,500

Vacation: One Month (30 calendar days), including 4 Sundays

Continuing Education: Two weeks, including 2 Sundays

Family Leave: A minimum of twelve weeks paid family medical leave.

Minimum effective salary for 2024: \$53,680 (other compensation remains the same)

Minimum effective salary for 2025: \$56,000 (other compensation remains the same)

Notes:

- Minimum compensation figures are based on full-time service. Effective salary will be prorated for part-time positions.
- The Board of Pensions values provision of a manse at 30% of effective salary.
- Board of Pensions coverage is required for all installed persons and for all persons in temporary relationships working **35** hours or more per week.
- Professional expenses include travel and continuing education.
- Vacation is figured on calendar days, not "working days."
- The presbytery may grant an exception to minimum compensation requirements for a particular church, upon recommendation by the committee on ministry.
- Churches will receive prompt notification of changes to compensation due to changes in the churchwide median effective salary.

*Beginning January 1, 2015, presbytery requires medical coverage for the pastor's spouse and dependents. When coverage is provided through The Board of Pensions, the church must pay at least 50% of spouse/dependent coverage.
